Address:

Martin Street, Elma, Elma

Price:

Free

These beautiful bikes are Johnny Pag Spyder 300 motorcycles.
The red one has 2165 miles, the black one has 688 miles .
These are what i would call backroad bikes, definitely not highway bikes.
I want to sell both bikes for one price .I have over \$6500.00 in these somewhat rare motorcycles.
The red one is a 2007 the black one is a 2008.
Included is an extra set of baffled exhaust. In case you want quiet.
An extra solo seat, a push up seat with hardware to move the forward controls 4 inches closer to the rider. And one size large half helmet.
Both bikes have clear titles. I have started both bikes . Because i know these might need some minor tweaking, i am asking \$4000.00 obo for both bikes and im sure you wont be dissapointed. Again i want to sell both bikes together \$4000.00 for two beautiful fun motorcycles
I prefer to be contacted via text message
