The Retail Merchandiser provides retail sales merchandising coverage and coverage of retail special projects for assigned retail territory. They are responsible for representing ACOSTA and our principals through store coverage and executing objectives as set forth by their Manager to achieve superior in-store results in an assigned territory. Point of sale interaction is required and the ability to significantly and positively impact the sales volume of the assigned product as a result.

Responsibilities

The incumbent(s) in this position should exhibit the following Acosta values:

People Must show respect and respect for people
